

## 2018 HONOREE NOMINATION APPLICATION

Resilience is the ability to recover from troubled times, and rise above the challenges one faces. In 2018, Single Mothers Outreach will honor six women who set the standard and who serve as an example of this year's theme, **resilience**.

Thank you for desiring to honor a special woman you think embodies this year's theme. All final nominations must be submitted no later than August 28<sup>th</sup> 2017.

Please inform your nominee that you are submitting her name for consideration. Empowering HeArts honorees generate a lot of media attention, so you should be sure your nominee is comfortable with being in the limelight. The Empowering HeArts Planning Committee (EHPC) will screen all nominees before final selection and will discuss expectations, commitments, etc. with each nominee.

The EHPC will select six women who embody the year's theme. Please understand that this nomination does not necessarily guarantee your nominee will be chosen.
